Instructions

- The Child Nutrition Management System (CNMS) is a Web-based system that will enable SFAs (School Food Authorities)/SFSP (Summer Food Service Program) sponsors to update program information and submit claims on-line. This application is used to acquire a user name and password for accessing CNMS.

- Each SFA/SFSP sponsor will be assigned an administrator role who may go on-line and establish additional SFA/SFSP sponsor users or management company users. SFA/SFSP Sponsor users can update program detail, prepare and submit claims on-line. Management company users can view program detail and prepare claims on-line, which may then be submitted on-line by an SFA/SFSP sponsor, administrator or user.

- The application may be submitted at any time to the Child Nutrition Program Administration Office. A user name and temporary password will be assigned and e-mailed to the user. The user must first log into CNMS using the temporary password, and will then be prompted to change their password. Please allow 2-3 days for processing the application, which may be faxed to the above number.

- The certification below must be signed by the Chief School Officer. For public schools the application must be signed by the Superintendent, for non-public schools the Principal and for Residential Child Care Institutions (RCCIs) by the Executive Director.
