Subject: FY 2014 Food Service Equipment Grant Awards

Attached is the list of applicants that were selected to receive the FY 2014 Food Service Equipment Grant.

The New York State Education Department (SED) received 1,150 applications for equipment requests which totaled approximately \$9.7 million. SED was able to fund 162 Recipient Agencies (RA) in 83 School Food Authorities (SFA) for a total of \$1,999,878.

SFAs that have been awarded the FY 2014 Food Service Equipment Grant will receive a notice from the SED Grants Finance Department that stipulates the specific equipment requests that will be funded. The SFA will not receive additional funding if the item(s) cost more than the amount awarded.

Use the attached chart in conjunction with the approved FS-10 to ensure the equipment purchases are allowable. If the equipment is obtained for less than requested and approved on the FS-10, the school cannot retain the funds or use them for another purpose.

Completed FS10-Finals and paid invoices for the equipment purchases must be received in our office no later than July 31, 2015. We will be validating equipment purchases during our monitoring visits, or when staff are in the area on other site visits.
