Subject: 2014-2015 Fresh Fruit and Vegetable Program for School Food Authorities

Please click on the following links for information about the Fresh Fruit and Vegetable Program. Due to limited grant funds, and the large number of high need schools in New York State, we will only be able to award monies to those SFAs that submit applications by the due date and have the highest percentage of eligible students enrolled. We will award grants starting with 100% eligibility and continue down the list until grant funds are depleted.
