Updated Civil Rights Information

The attached memorandum includes the Food and Nutrition Service's (FNS) complaint processing policy update related to program complaints alleging discrimination on the basis of gender identity or sexual orientation in programs or activities receiving Federal financial assistance.

In short, discrimination on the basis of sex in programs or activities receiving Federal financial assistance includes discrimination on the basis of sexual orientation and discrimination on the basis of gender identity. This policy update is consistent with the Supreme Court's decision in *Bostock v. Clayton County*, 140 S. Ct. 1731, 590 U.S. ___ (2020), and applies to prohibitions against discrimination based on sex in all FNS programs. This memorandum will impact the processing of program discrimination complaints, effective immediately. In addition, FNS's Civil Rights Division will update the Nondiscrimination Statement (NDS) and the And Justice for All (AJFA) posters to include gender identity and sexual orientation as protected bases. We understand these changes may impact your operations and we will be available to provide you with technical assistance to make the necessary changes.

All documents, pamphlets, websites, etc. should be updated with the 2022 NDS (included below) as follows:

1. Websites must be updated within 90 days of the date of this memorandum.
2. Documents, pamphlets, brochures, etc., using 2015 NDS language must be updated when current supply on hand is exhausted or by September 30, 2023.
3. All new printing must use the 2022 NDS

AJFA posters currently posted must not be removed until replaced with the new poster. SED will post an update on our website when the new AJFA posters are received.

Please contact your program representative with any questions.
