**Introduction**

Effective July 2017, select Direct Certification features of the Child Nutrition Management System (CNMS) will be transitioned to the NYSED Business Applications Portal found at: [http://portal.nysed.gov](http://portal.nysed.gov). To access the new NYSSIS pages for the Child Nutrition Direct Certification Matching Process (DCMP), users must have a State Education Department Delegated Account System (SEDDAS) username and password. Information on SEDDAS can be found at the SEDDAS Home page found at [http://www.p12.nysed.gov/seddas/seddashome.html](http://www.p12.nysed.gov/seddas/seddashome.html).

Every LEA across the State has a delegated administrator and it is typically an institution’s CEO. In public school districts, access to the NYSSIS application, with the new Child Nutrition role, must be designated by the superintendent (Super DA) or the district account manager. In nonpublic schools and Charter schools, the CEO entitle access to the NYSSIS application with the new Child Nutrition role to the correct staff member located at the same institutional location as the CEO.

For nonpublic schools that may be unfamiliar with SEDDAS, an email was sent automatically to your school CEO once their DA account was created. Oftentimes since the email is computer generated it can get caught in the spam folder, so it is important your CEO look there first and set the SEDDAS donotreply@nysed.gov and the seddas@nysed.gov email as a safe email address. For users that know their user name but forgot their password they can follow the instructions can be found at [http://www.p12.nysed.gov/seddas/seddas-password-reset.pdf](http://www.p12.nysed.gov/seddas/seddas-password-reset.pdf)

If your CEO does not know their username or needs any other assistance with using SEDDAS, your CEO should contact NYSED at, seddas@nysed.gov.

The following screen shots show Step-by-Step how Superintendents and Principals (CEOs) can set up accounts, assign roles, and grant entitlements for food service staff to gain access to the NYSSIS State Match system. The screenshots provided are generic so the options you see on each screen may be slightly different.
Steps 1-5 for users that already have a SEDDAS username and password

Step 1: CEOs go to the NYSED Application Business Portal to Log In at https://portal.nysed.gov.

Step 2: Click the Link for State Education Department Delegated Account System (SEDDAS).
Step 3: Click the “Search User” button.

Step 4: Enter the last name and click the “Search/Update List” button.
Step 5: Click the radio button next to the you would like to delegate. Click the "View Selected" button.
Steps 1a-5a for users that do not have a SEDDAS username and password

Step 1a: If the user is not found you will need to create one. Click the “Create User” menu choice and enter the first and last name and email of the user you want to create. Then click the search icon in the institution field.

Step 2a: The Search Institution Screen is returned. Enter one of several different search criteria and then click Search.

Step 3a: Your Institution or a list of Institutions will display. Click the button of the Institution you want to choose.
Step 4a: The Create User screen returns with the Institution name filled in. Click Next.
Step 5a: If the User ID does not exist in the system you will see a screen like the below and fill out any remaining fields. Click Create.

Note: If you get the message “User_Name already exists in our system... you may not be able to choose the Reassign Institution option”, it is because you cannot reassign the institution of a user that is not in your jurisdiction or district. You will have to select Create User if they are not under your BEDS code.
Steps 6-10 for all users, Entitle Applications

Step 6: The View User screen will now open and it will say: User does not have access to any applications. Click the “Entitle Applications” button.

![View User Screen]

Step 7: Under Select Applications for Entitlement, check the boxes next to each application you wish to entitle the user to and click Next. For the State Match System, you need to choose, NYSSIS.

- AIR Growth Reporting System
- Examination Request System
- L2RPT Level 2 Reporting
- NYSSIS
- PD System
- SED Monitor & Vendor Performance System
Step 8: For each application displayed assign roles as needed, make your selections of applications to entitle and then click Next. For the State Match System (DCMP), you need to choose, Child Nutrition User. If you need access to both NYSSIS and the State Match System, you would choose the role, NYSSIS & Child Nutrition User.

Step 9: Review your selections and then click Grant Access.

Step 10: An email message will be sent to the user with their User ID and password instructions. You will be sent an email confirming the change to your accounts.
