## Summer Meals Food Safety Kit

The Institute of Child Nutrition (ICN) has provided the New York State Education Department with Summer Meals Food Safety Kits. Each kit contains a training guide, safety tips, temperature stickers and a thermometer (shown below).

These kits are intended for use at non-school summer food service program sites, such as churches, community centers, or parks. ICN requires a name and email contact for each site that receives a kit. ICN will use this information to contact the site for feedback in the effort to promote the continuous improvement of the kit.

To request a free kit, please complete this form and submit to SED via email to [CNSFSP@nysed.gov](mailto:CNSFSP@nysed.gov) or fax to (518) 474-9920. Please keep in mind there is a limited supply.
