

## Product Formulation Statement for Documenting *processed* New York State Food Products

A food item processed inside or outside New York State (NYS) comprising of over 51 percent agricultural raw materials grown, harvested, or produced in NYS, by weight or volume is considered a NYS Food Product. To document such processed items as NYS Food Products, School Food Authorities must maintain:

- a copy of the product label that includes product ingredients, date of production and batch/run identification as applicable
- any product formulation statement or CN label for meal pattern crediting in Child Nutrition Programs as applicable
- the following applicable information on processing company letterhead signed by an official company representative

Processor Name:					
Product Name:
