Testimonials from the inaugural 2024 Farm to School Summit...

## Network

"Invaluable information, inspirational speakers, so many products I didn't know were made in NY, lots of great networking." -Food Service

## Workshops

"The ability to meet new people and everyone was kind and open. I loved the educator workshops. Learning how to tap a maple tree was something I have always wanted to do." -Educator

## Vendors

"Trade shows can be a lot of work, but this one felt more like a celebration of our collective efforts than a chore." - Exhibitor
