2022 SFSP Eligibility: Open and Closed Enrolled Sites

To qualify sites in the 2022 Summer Food Service Program, please refer to the chart below. Detailed screenshot instructions on each eligibility type are provided. If you have any questions or need any assistance, please contact your SFSP representative or email CNSFSP@nysed.gov.

Data	Source	Eligibility Period	CNMS Eligibility Screen
2021-22 SED Data	*SFA collected and certified current 21-22 school year (SY) eligibility data (income applications & DCMP)*	5 years	Enter RA LEA, month, enrollment and eligibles
2021-22 CEP Data	*2021-22 CEP List*	5 years	Enter RA LEA code
2019-20 SED Data	*2019-20 SED List*	3 years	Enter RA LEA code
Census Data	*Area Eligibility Mapper*	5 years	Enter census block code
Non-CEP Identified Student Percentage (ISP)	*Contact SFSP representative*	1 year	Entered by SFSP staff

**Above may be used to qualify closed enrolled sites in a needy area for ONE YEAR.

If you are using **2019-20 SED Data** to qualify your site, choose '2019-20 SED Data' from the dropdown and enter your qualifying LEA code into the box. Leave the other three boxes blank and click 'Save'. To find out if your building is on the 50 percent list click HERE. The information on the 50% list is data from February 2020. If

you are using multiple school building to qualify your site, enter up to three eligible LEA codes in the 'Qualifying School LEA Code' boxes and leave the rest blank.

If you are not in CEP and collected current 2021-22 SY eligibility documentation, choose '**2021-22 SED Data**' from the dropdown. Enter the qualifying LEA code as well as the 'Month', 'Enrollment', and 'Eligibles'. You may choose any month from the 2021-22 school year in which your school building is at 50% or greater. Please note, you must enter the enrollment for each qualifying school building and the eligible children must be 50%

of the enrollment. If using multiple building to qualify your site location repeat this process for each qualifying LEA code.
