Master Instructor for 2 years!

NORTH WARREN CENTRAL SCHOOL

Advice for New Food Service Directors:

Use Facebook chat group & a shared google drives to share information.

Best Practices:

Guaranteed customer satisfaction. We encourage students to try the hot entrée daily, especially if it is an item they have not had in the past. If a student is brave enough to try something new, but decides they do not like it, we replace the hot entrée with a cold sandwich of their choice.

Meal Pattern/Offer Vs. Serve

I am passionate about Farm to School and about providing students with the best foods that we can so that they are ready to learn. My favorite training at my school district is one where we split up into groups and cook different recipes during a staff development day. We then decide as a food service department which ones to add to upcoming menus. The foods prepared are shared with other staff in the building and everyone looks forward to this day.
