Regional Roots: Culinary Training to Enhance School Meals with Local Foods

- Hands on training, at your school during the school day
- Student Feedback through taste tests
- CCE Staff assist with procuring local foods for future use in food programs

Culinary Skills

Food service staff will learn:

- Prepare fresh, local foods
- Knife skills
- Weights and measures
- Setting up a work station, and more!

Recipes

Recipes will:

- Meet CN standards
- Use locally sourced ingredients
- Sourced from NYS Cookbook

Participating Schools

Will receive:

- Aprons and hats for all participants
- Up to \$250 in small wares
